JOINT MOTION FOR EXTENSION OF TIME FOR SUBMISSION OF MAPS

Pursuant to the Order Regarding Proposed Plaintiff Fact Sheet and Topographical Map of Facility and Plaintiff Locations entered by the Panel on February 9, 2017, the parties were to prepare and submit topographical maps showing (1) the location of each Plaintiff in the cases identified above; and (2) the location of the five (5) facilities of Williams Ohio Valley Midstream, LLC (“WOVM”), involved in this litigation (Oak Grove, Corley/Burch Ridge, Fort Beeler, Pinecone, and Conner/Berger) by March 9, 2017.

Because of technological issues, counsel for WVOM only recently received the interactive topographical maps for the five (5) facilities identified above. WOVM does not, however, have location information for all of the Plaintiffs. To permit the most accurate placement of the Plaintiffs’ locations on the maps, the parties jointly move for an extension of time for the submission of the maps until Friday, April 7, 2017.
