7. Previously filed *Motion to Dismiss of Defendant Michael Baker International, Inc.* (Transaction ID 60210381) e-filed February 14, 2017, Civil Action No. 16-C-293 KAN.

Responses to the above-listed motions are **ORDERED** e-filed and served on all counsel of record **no later than 5:00 p.m. on April 6, 2017**. The Panel reminds the parties that, “unless otherwise ordered by the Court, any response to a motion shall be e-filed and served within fourteen (14) calendar days after filing of the motion, not including the date the motion is filed.”

*Order Regarding E-Filing and Service Deadlines for Responses to Motions and Replies to Responses* (Transaction ID 60144935)

The Presiding Judges have also identified a response to a motion to dismiss, for which no motion is on file in File & ServeXpress:

*Brotherhood Mutual Insurance Company's Response in Opposition to Engineered Arresting Systems Corporation's Motion to Dismiss* (Transaction ID 60324182) e-filed March 10, 2017, Civil Action No. 16-C-293 KAN.

Engineered Arresting Systems Corporation is **ORDERED** to e-file and serve its motion to dismiss **no later than 5:00 p.m. on March 30, 2017**, and to link its motion to Brotherhood Mutual Insurance Company' response using the "linked document feature" in File & ServeXpress.

The Panel reminds the parties that:

West Virginia Trial Court Rule 15.10(c) requires all e-filed documents or pleadings directly related to a previously e-filed document or pleading to be "linked" together using the "linked document feature" in the e-filing and service system. Use the "link to" column every time a responsive pleading is e-filed. For example, a response or a reply must be linked to the original motion, a joinder must be linked to the document or pleading to which a party is joining, and an answer must be linked to a complaint if the complaint has been uploaded into the e-filing and service system.

By linking documents together, the Court can go to one location to view all directly related documents or pleadings. It is better to take a liberal approach to the "link to" column. Any time pleadings are directly related or "go together," they should be linked together so the Court can easily access all the relevant pleadings. **Failure to appropriately link a document or pleading directly related to a previously e-filed document or pleading may result in the Court not considering the document or pleading.**

*Electronic Filing and Service Case Management Order* (Transaction ID 60144898), p. 6.

It is so **ORDERED**.

**ENTER:** March 23, 2017.
