COMMISSION CORRECTIVE ORDER

This Order corrects a misstated dollar amount in the Commission Order issued on February 18, 2011.

Conclusion of Law No. 8 on page 21 of the Commission Order issued on February 18, 2011 stated an incorrect dollar amount, specifically, that the proper level of building rent expense for this case is \$6,602 per month. Consistent with the other Conclusions of Law addressing building rent, Conclusions of Law Nos. 6 and 7, and consistent with the Commission discussion of building rent contained on page 8 of the Order, Conclusion of Law No. 8 should have stated that the proper level of building rent expenses for this case is \$2,252 per month. This conclusion is also consistent with the Commission adjusted revenue requirements as set forth on Attachment C of the February 18, 2011 Order. The Commission corrects the error.

FINDING OF FACT

The dollar amount stated in Conclusions of Law No. 8 of the February 18, 2011 Order issued in these cases was incorrect.

CONCLUSION OF LAW

The dollar amount stated in Conclusion of Law No. 8 on page 21 of the February 18, 2011 Order should be corrected.

ORDER

IT IS THEREFORE ORDERED that Conclusion of Law No. 8 on p. 21 of February 18, 2011 Order in these cases is corrected to read,

8. The proper level of building rent expense for this case is \$2,252 per month.

IT IS FURTHER ORDERED that the February 18, 2011 Commission Order as corrected herein remains in full force and effect.

IT IS FURTHER ORDERED that the Executive Secretary of the Commission send to each of the individual intervenors not represented by counsel and who has not filed an e-service agreement, a copy of this decision by first-class mail.
