Re: JIC Advisory Opinion 1991-11

Dear

In a letter to Counsel for the Judicial Investigation Commission dated September 14, 1991, you asked for an advisory opinion about the propriety of your participating in a local telethon to benefit muscular dystrophy over the Labor Day weekend. As you rightly decided, it is the opinion of the Judicial Investigation Commission that such participation would not be permitted.

Enclosed is an advisory opinion which has previously been issued in a relevant matter on your question. If you have any further questions, feel free to contact the Commission.

Very truly yours,
