Re: JIC Advisory Opinion 1994-25

Dear

Your recent request for an advisory opinion directed to the Judicial Investigation Commission was considered by the Commission at its recent meeting.

In that correspondence you state that you have been asked to serve as a parliamentarian at the annual membership meeting of the Community Federal Credit Union. You indicate that the mandated annual meeting is for all members of the Credit Union and its main purpose is to explain the progress the Credit Union has made during the past year. Your responsibility would be to see that Robert's Rules of Order are followed.

The Commission feel that there would be nothing in the Code of Judicial Conduct which would preclude you from serving in the capacity which you describe in your correspondence.

If there is any further question regarding this matter, do not hesitate to contact the Commission.

Very truly yours,

Fred L. Fox, II, Chairman
