Re: JIC Advisory Opinion 2010-16

Dear Mr. :

Your request for an advisory opinion was reviewed by the Judicial Investigation Commission at its recent meeting. You made the request for the opinion while you were a candidate for an open magistrate position in County West Virginia. Since that time the position has been filled by another individual.

The Rules of Judicial Disciplinary Procedure provide that the Administrative Director, a judicial officer or a candidate for a judicial office may request an advisory opinion. Since you are no longer a candidate for the judicial position the Rules do not permit the Commission to issue an opinion at this time.

If you have any question regarding this matter do not hesitate to contact the Commission.

Very truly yours,

Judicial Investigation Commission
