Plaintiff,

v.

J.E. HOOD
CIRCUIT CLERK
CABELL CO., WV

Civil Action No. 13-CV-937
Judge Paul Farrell

MOUNTAINEER GAS COMPANY

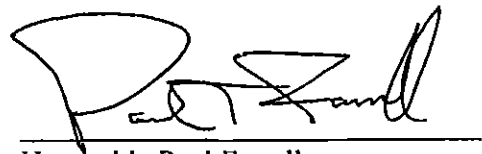

Defendant.

AGREED ORDER OF DISMISSAL

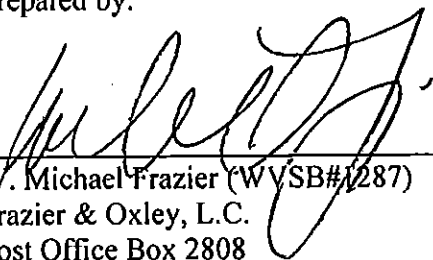

Came this date, both parties by counsel, and jointly moved to dismiss the above styled action. This matter was a declaratory judgment action, asking the Court to determine certain issues concerning the size and location of an easement across Lot 1B of Kinetic Park. Recently, however, Huntington Municipal Development Authority was successful in selling Lot 1B despite the easement questions. As such, the parties agree Huntington Municipal Development Authority no longer has standing to pursue this matter.

Accordingly, this Court does hereby ORDER this matter be dismissed and stricken from the docket of this Court, each party to bear its own costs.

Entered this 14 day of Aug, 2014.

Honorable Paul Farrell
