The above-referenced case has been referred to the Business Court Division, which means the case in your office can be closed for statistical purposes only. The case will remain in Marion County and your office will still be required to accept filings and follow the same procedures as with any other civil action. There are currently seven judges throughout the state serving on the Business Court Division. Once a case is referred to the Division, the Chair of the Division assigns a Presiding Judge and a Resolution Judge. Judge Wilkes being the current Chair of the Division signed the attached order assigning Judge Clawges as Presiding Judge and Judge Carl as Resolution Judge in the above-referenced matter. Would you please forward attested copies of this order pursuant to the last paragraph of the order and then file the order in the official court file 15-P-63? Please process all orders in this case as you would in any other civil case and provide the Business Court Division Central office copies of all orders at the above address.

Please feel free to call me at the above number if you have any questions regarding this case or Business Court in general.
