

**DAR, LLC,
Plaintiff,**

Case No. CC-02-2013-C-394

**TRIAD ENGINEERING, INC.,
KAREN L. KRABILL, P.E.,
LYDIA WORK,
Defendants**

On a previous day came the parties, by counsel, and asked this Court to continue the bench trial in this matter pending the resolution of "significant outstanding discovery issues" and the fact that Plaintiff's counsel has a conflict with the trial date and another trial. The Court notes this request was a joint motion, and that no counsel has objected to a continuance.

Finding good cause for this request, and finding that no party would be unduly harmed by a *brief* continuance, this Court hereby ORDERS, ADJUDGES, and DECREES that this bench trial be continued briefly until a later date so as to permit the parties to conduct the remainder of their discovery. A new trial date will be forthcoming.

The Clerk is directed to send attested copies of this Order to all counsel of record, and to the Business Court Central Office at Business Court Division, 380 West South Street, Suite 2100, Martinsburg, West Virginia, 25401.
