**AGREED FINAL ORDER
RE-VALUING PRODUCING OIL AND NATURAL GAS
WELLS FOR AD VALOREM TAX PURPOSES
FOR TAX YEAR 2016 AND DISMISSING APPEAL OF
PETITIONER CONSOL ENERGY, INC. DBA CNX GAS COMPANY, LLC**

COME NOW CONSOL Energy, Inc., dba CNX Gas Company, LLC (“CNX”), by Counsel Craig Griffith, Esquire, and John Meadows, Esquire; The County Commission of McDowell County sitting as a Board of Assessment Appeals (the “BAA”); the Honorable Ray Bailey, Assessor of McDowell County; and The Honorable Dale W. Steager, State Tax Commissioner (the “Tax Commissioner” or “Tax Department”), by Counsel L. Wayne Williams, Assistant Attorney General and pray the Business Court enter this Agreed Final Order.

CNX is the producer for numerous oil and natural gas wells located in McDowell County, West Virginia. Originally, the Tax Department valued CNX’s producing oil and natural gas wells at \$40,237,213 for the 2016 tax year (“TY2016”). The Tax Department argued that its valuation

was correct under the applicable law and legislative rules. The BAA adopted the Tax Department's valuation.

CNX timely appealed the valuation for TY2016 to the Circuit Court of McDowell County; subsequently, the case was transferred to Business Court Division. Following the Business Court's decision, the matter was appealed to the West Virginia Supreme Court of Appeals, which issued a decision in June of 2019 and remanded the matter to the Business Court Division.

All parties agree that the decision in the CNX appeal must be determined according to the decision of the West Virginia Supreme Court of Appeals in *Steager v. CONSOL Energy, Inc.*, 242 W. Va. 209, 832 S.E. 2d 135 (2019).

CNX provided a list of wells for TY2016 that are subject to re-valuation by the Tax Department and Cindi Hoover, Tax & Revenue Manager of the Tax Department's Property Tax Division, Special Properties Section, re-valued the wells based on the decision in *Steager v. CONSOL Energy*, with the revised appraised values for all wells totaling \$36,804,441 for TY2016, which results in a total reduction of appraised values of \$3,432,772. A spreadsheet is attached which identifies the value of each individual well. *See* Exhibit A.

CNX agrees with the revised valuation for TY2016.

Furthermore, the Parties agree that the re-valuation has resolved all issues which were litigated before the Circuit Court.

The Circuit Court has reviewed the pleadings filed in this matter, the West Virginia Supreme Court decision in *Steager v. CONSOL Energy*, cited *supra*, W. Va. Code § 11-6K-1, *et seq.*, and the applicable legislative rule.

The Circuit Court finds the Final Agreed Order to be proper in all respects.

The Circuit Court finds the true and actual value of CNX's oil and natural gas wells is a total of \$36,804,441 for TY2016 in McDowell County, which results in a total reduction of appraised values of \$3,432,772, as specifically identified for every individual well and as said total reduction is shown on the attached spreadsheet.

Each party will be responsible for its own costs, expenses, and legal fees, in this matter.

The Clerk of the Circuit Court is directed to transmit a true copy of this Agreed Final Order to the counsel of record at the addresses listed below.

The matter is to be stricken from the active docket of the Circuit Court.

The matter is dismissed with prejudice.

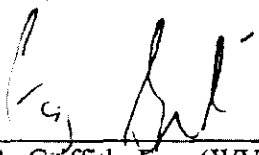

It is so ORDERED.
