

No. 21538 -- West Virginia Department of Natural Resources v. Christine Mann
Myers

Neely, Justice, dissenting:

I dissent. As a matter of fact, the lower court's conclusions were correct.

I reiterate the positions stated in my dissent to Frank's Shoe Store v. Human Rights
Commission, 179 W. Va. 53 at 63-64, 365 S.E.2d at 261-62 (1986).
