ORDER GRANTING DEFENDANT'S MOTION TO STRIKE

COMES the Court, this 23rd day of August, 2024, upon Defendant's Motion to Strike Portions of Plaintiff's Supplemental Brief. At the hearing held August 15, 2024, the Court gave the parties an opportunity to file a supplemental brief on the limited issue of whether a final judgment order can direct the windup and buyout of a corporate entity, or if the final order should be entered at the conclusion of the windup process. Plaintiff filed its Supplemental Brief; however, portions of that brief address the pending motion for attorney's fees that was also argued at the hearing. Finding good cause shown, this Court agrees with Defendant that these portions of the supplemental brief are outside of the scope of this Court's direction, this motion to strike is GRANTED.

The Clerk shall enter the foregoing and forward attested copies hereof to all counsel, and to the Business Court Central Office electronically.
