Pursuant to Administrative Rule 6.06(d), certified notices were sent to the lawyers designated with an asterisk (*) at the most recent address maintained on the records of The West Virginia State Bar; however, these notices were undeliverable by the post office or were unclaimed and returned to our office. The certified notices were delivered to the remaining attorneys on the above list according to records received from the United States Postal Service.

Under the Administrative Rules, which were promulgated by the Court, all active members of The West Virginia State Bar were required to complete twenty-four (24) credit hours of approved continuing legal education credit, of which at least three (3) credit hours must be in legal ethics, law office management, attorney well-being, and/or elimination of bias in the legal profession between July 1, 2022 and June 30, 2024. Active members of The West Virginia State Bar admitted between July 1, 2022 and June 30, 2023 were required to complete twelve (12) approved credit hours, of which at least three (3) credit hours must be in legal ethics, law office management, attorney well-being, and/or elimination of bias in the legal profession by June 30,

2024.

The Commission ran MCLE reminders in the weekly Bar Blast e-mail beginning January 2, 2024, stating that the reporting period ended on June 30, 2024. Every week from January 2, 2024 through July 30, 2024 the Bar Blast reminder included a link to information regarding the minimum required credits, the reporting deadline, the \$200 penalty for late reporting of CLE credits and date on which the penalty would be assessed, the limitation on pre-recorded video credit (a change from the "Covid" rule of allowing all credits to be obtained via pre-recorded videos), and the process for logging into the member's account to view his or her transcript. The information further directed members to free online CLE credits available through recorded videos of previous State Bar seminars. As of September 30, 2024 a total of 41.4 credits, including 16.2 credits in the ethics categories, were available.

Prior to the filing deadline and in accordance with Administrative Rule 6.06(b), multiple email notices were sent directly to all of the above-named lawyers notifying them that they were not in compliance with the reporting or minimum continuing legal education requirements of the Rules. The direct email notices were sent on the following dates (copies of each email sent are attached collectively as Exhibit A):

January 4, 2024 -	4923 recipients
May 6, 2024 -	3674 recipients
June 4, 2024 -	2938 recipients
June 10, 2024 -	2606 recipients
June 17, 2024 -	2071 recipients
June 25, 2024 -	1444 recipients
July 2, 2024 -	630 recipients
July 8, 2024 -	523 recipients
July 15, 2024 -	439 recipients
July 23, 2024 -	379 recipients
July 31, 2024 -	275 recipients

The individual email notices were sent to the email address maintained on the records of the attorneys with The West Virginia State Bar. Members are required to maintain current contact information and notify the State Bar within ten days of any change in contact information pursuant to Bylaw 2.02.

Pursuant to Administrative Rule 6.06(d), the Commission gave notice to members listed above, by certified or registered mail, to the most recent address maintained on records of The West Virginia State Bar, advising each member of his or her noncompliance with the mandatory continuing legal education requirements. A copy of the notice is attached as Exhibit B. Each attorney was notified of the number of CLE credits, including ethics credits, they had reported per West Virginia State Bar records. Attached is a copy the mailing, which referred the members to our website for the pertinent MCLE Rules and Regulations. In the certified or registered mailing, each above-listed attorney was advised that the Commission would, after a thirty-day notice period, notify the Supreme Court of Appeals of his or her noncompliance and request the Court to suspend the lawyer's license to practice law until such time as the lawyer had established that he

or she had complied with the mandatory continuing legal education requirements for that reporting period.

During the thirty-day hearing period, as provided in Rule 6.06(e), one lawyer requested a hearing before the CLE Commission. The hearing has been scheduled for December 2, 2024 at 2:00 p.m. This lawyer is therefore not included in this petition pending the outcome of the hearing and possible appeal pursuant to Rule 6.06(e).

WHEREFORE, the Petitioner respectfully prays:

1) That the Court suspend the license to practice law of each lawyer listed above until such time as the lawyer has complied with the mandatory continuing legal education requirements established by this Court in a fashion satisfactory to the West Virginia Mandatory Continuing Legal Education Commission;

(2) That the Court provide in its Order that, upon completing the mandatory continuing legal education requirements to the satisfaction of the Mandatory Continuing Legal Education Commission, the reinstatement of such lawyer's license shall be automatic unless the lawyer is under suspension for another reason or reasons;

(3) That the Court provide in its Order that compliance with any financial penalties or other requirements imposed by the Commission through its Rules is a precondition to reinstatement.

Credits imported from CLE sponsors are NOT included in your CLE total until the credits are confirmed and added to your CLE transcript. Any pending credits awaiting your confirmation appear on the bottom of the transcript. Confirm any pending credits for courses that you have completed. Only confirm the number of credits you actually earned. If you select "confirm" you will have the option to edit the number of credits listed if necessary. If you have already self-reported the course, please select the "delete" option. This will delete the credit submission from the CLE provider only and not the credits you self-reported.

If there are any duplications or changes that need to be made to credits that are already reported on your CLE transcript, please contact Samantha Chase at chases@wvbar.org. Credits will not be deleted or edited unless a written request is made by email. **It is your responsibility to make sure that your CLE transcript is truthful and accurate.**

Many of you who are not yet in compliance are only short in ethics credits – these credits can include courses in legal ethics, law office management, attorney well-being or elimination of bias in the legal profession. Please check your CLE transcripts to determine what type of courses you need to complete/report.

Please note that numerous FREE CLE videos (including courses involving ethics credits) are posted on the State Bar's website at <https://wvbar.org/members/mcle/free-online-cle-opportunities/>. These credits can be used to meet your CLE requirements if you have not previously taken the courses and reported the credits. Links are provided under the videos for reporting the CLE credits after you watch the video. There is a limit of 12 credits earned through Online/Pre-Recorded videos and webinars with no interactive element (Limit of 6 Online/Pre-Recorded credits for those admitted between July 1, 2022 and June 30, 2023).

NOTICE FROM MCLE COMMISSION CONCERNING POSSIBLE SUSPENSION OF YOUR LICENSE

West Virginia State Bar records indicate that, as of today, you are still not in compliance with the 2022-2024 mandatory continuing legal education requirements for active members. The reporting period ended on June 30, 2024.

In accordance with Administrative Rule 6.06 (d), the MCLE Commission is advising you that **30 days from the date of this letter, the Commission will notify the Supreme Court of Appeals of West Virginia that you are not in compliance with the Mandatory CLE Rules for the 2022-2024 reporting period, and will request the Court suspend your license** until you have established compliance with those rules. A \$200 reinstatement fee will apply if you are suspended and a notice of suspension will be provided to certain judicial officials.

You may establish compliance by reporting the required number of minimum credits within 30 days of this letter, along with a required \$200 delinquency fee which is to be paid online. Activities undertaken during the 30-day period may be used to satisfy the 2022-2024 requirement.

CLE credits should be reported via the online member portal at www.mywvbar.org. If a course was not provided by a presumptively accredited provider or the provider did not request and receive WV approval for CLE, you must complete the application for individual course approval under the Non-Approved Course option on the member portal. You must include a detailed agenda, brief speaker biographies, course materials and the \$20 application processing fee. If the course is approved, the credits will be posted to your CLE transcript. If the course was pre-approved for CLE credit or was provided by a presumptive provider, you may report it via the Approved Course option on the portal.

During the 30-day period you may demand a hearing before the Commission. The rules regarding mandatory continuing legal education requirements, noncompliance and the sanctions as promulgated by the Court are online at www.wvbar.org.

The Compliance Coordinator, Samantha Chase, may be reached by email at chases@wvbar.org if you have any questions.
