AWARD PROCESS

The consultant should have specific and demonstrated experience, knowledge, and expertise in developing strategic plans for statewide judicial systems. All interested vendors shall have sufficient, readily available resources in the form of trained personnel, support services, and financial resources to carry out the work without delay or shortcomings.

Interested vendors should not attempt to contact any staff or officials within the West Virginia judicial system directly. Following the conclusion of the open question period, SCAWV will share all questions and answers to any interested vendor. To request receipt of these questions and answers, or to be included on all future announcements and updates, please submit an email to RFP@courtswv.gov with the subject line "Strategic Plan Distribution List."

SCAWV will subject all proposals to thorough review based upon completeness, cost-effectiveness, knowledge base of responsible person(s), and projected quality of deliverables.

EVALUATION CRITERIA FOR SELECTION OF FINALISTS

SCAWV may select multiple bidders from the RFP responses for further evaluation. The short list will be selected by evaluating the vendor's response covering criteria outlined within this RFP. Additional discovery may be performed to assist in selecting the short-listed vendors. SCAWV reserves the right to withhold notice of the selection of short-listed vendors. SCAWV may also forego awarding a contract.

Proposals will be evaluated on the following criteria:

- a) Responsiveness to the RFP;
- b) Experience, qualifications, and performance history of the vendor (and assigned individuals) with developing and carrying out a process that leads to the establishment of a multi-year strategic plan for the West Virginia judicial branch of government;
- c) Satisfaction of previous clients; and
- d) Fee proposal.

The proposal must encompass the complete scope of the Project Deliverable.

INTERVIEWS AND/OR SITE VISITS

Vendors may be asked to produce additional information and/or submit to an interview process. SCAWV will further evaluate vendor's solutions through an in-person or online meeting. Key personnel from short-listed vendors should be prepared to discuss their qualifications, portfolio, and experience with previous collaborative projects. Interviews will begin with an opportunity for vendors to present their proposal and team. The short-listed vendors will be further evaluated based on the results of reference checks and additional discovery.

Please note that interviews/virtual demonstrations for short-listed vendors may be conducted in December 2022. Specific days and times for each short-listed vendor will be determined later, but vendors should be prepared to participate in interviews/virtual demonstrations.

FINAL SELECTION

The final selection of a successful proposal is subject to the recommendation of the selection committee and SCAWV. SCAWV will notify the responsible party of the successful proposal and post the results of the award process on its website, which shall serve as notice concerning the process to all those submitting proposals.

CONTRACT NEGOTIATIONS

Upon approval of the finalist, contract negotiations will be initiated. The final negotiated contract, along with the best and final offer, will be submitted to the Justices of SCAWV for review and approval.

The person and/or entity submitting the successful proposal **shall** be required to enter a contract with SCAWV that complies with or incorporates the conditions as outlined in [W. Va. Code § 5A-3-62](#).

The contract will reference all details concerning payment, quality, and other relevant terms and conditions of the engagement, such as insurance coverage requirements. This is a work-for-hire project, meaning that SCAWV owns all Project Deliverable in entirety. Work on the Project Deliverable shall not commence until the contract has been executed by SCAWV and the vendor submitting the successful proposal.

SCOPE OF SERVICES

SCAWV seeks a qualified, experienced vendor to provide professional strategic planning consulting services. The project will include the design and execution of a strategic planning process that meets the criteria outlined in this RFP, including project management, facilitation, budget implementation, and support structure for plan implementation. The goal is to release the multi-year strategic plan in 2023.

SCAWV envisions the scope of work to be completed in three stages.

Stage 1: Preparation & Assessment

This stage requires the consultant to research and report on the following in preparation for the strategic planning process:

- Review West Virginia court system's history and overall organization to evaluate opportunities and/or challenges.
- Conduct interviews, surveys, public meetings, and focus groups to receive input from the judiciary, the West Virginia Bar, court system staff, and the public.
- Compile the results of the interviews, surveys, public meetings, and focus groups to identify recurring themes.

Stage 2: Strategic Plan Creation

At this stage, the consultant will share the themes and collaborate with SCAWV and its designated Strategic Planning Committee to identify strategic goals and to begin drafting an actionable, written strategic plan. The plan (Project Deliverable) should include, but not be limited to, the following:

- An executive summary;
- Mission and vision;
- Proposed priorities, innovative strategies, collaborative approaches, etc.;
- SMART (specific, measurable, achievable, realistic, and time-limited) goals;
- Objectives and tactics;

- Early action items to demonstrate progress, create momentum, and buy-in;
- List of responsible parties and roles;
- Metrics and measurable outcomes;
- Recommendations for enhancement of current facilities and technological and human capacity; and
- Communication strategies.

Stage 3: Feedback and Review

This stage involves presenting drafts of the Project Deliverable to the Strategic Planning Committee and SCAWV. Relevant dates for committee and court presentations will be established in the contract between SCAWV and the vendor.

The Strategic Planning Committee shall review the submitted Project Deliverable to ensure that it meets project specifications. After review by SCAWV, the Project Deliverable may be released for public comment to allow the bench, the State Bar, and the public to view and make suggestions. SCAWV will make final decisions on the wording of the Project Deliverable.

Vendors must have extensive experience in the following:

▪	Developing a strategic planning process and strategic plans for judicial systems;
▪	Overall project coordination;
▪	Facilitating large and small group discussions and individual interviews;
▪	Standard evaluation, research and/or investigation methodologies, practices, and procedures; and
▪	Keeping a planning process on track.

In determining and evaluating the best proposal, cost will not necessarily be the controlling factor but quality, efficiency, utility, delivery, suitability of the services offered, and the reputation of the vendor’s services in general will also be considered with any other relevant factors.

COMPENSATION AWARD DETAILS

Any specific funding requirements should be included in the proposal.

No aspect of the project will be considered complete until SCAWV approves the Project Deliverable. SCAWV will issue final payment no later than 60 days from the date the entity responsible for the successful proposal submits the Project Deliverable in finished form, along with the invoice for all work performed. If the Strategic Planning Committee and SCAWV do not consider the Project Deliverable to meet the standards of the Request for Proposals and contract, the resolution processes detailed in the contract shall apply, and SCAWV will tender payment only when the committee considers the Project Deliverable work product as acceptable. While the determination has an element of subjectivity, the Project Deliverable shall be judged against all the requirements of the RFP and budgetary compliance.
