The Court intends to address the admissibility of any contested exhibits at the pretrial. The parties shall mark all exhibits by use of standard exhibit stickers and provide a list, along with copies of the exhibits, in an indexed binder to the Court by **July 10, 2026**. Failure to properly identify, mark or provide an exhibit is grounds for exclusion of the exhibit at trial.

This shall consist of the name and, if known, the address and telephone number of each individual likely to have discoverable information—along with the subjects of that information—that the disclosing party may use to support its claims or defenses, unless the use would be solely for impeachment.

B . FINAL WITNESS DISCLOSURES EXCHANGED: July 10, 2026. This is to be a *bona fide* list of intended trial witnesses, including those whose testimony the party expects to present by deposition, separately identifying those the party expects to present and those it may call if the need arises. Listing the witness means the party identifying the witness has subpoenaed the witness for trial or has obtained the witnesses' agreement in writing to appear without the necessity of a subpoena. Parties must identify their witnesses by name and business or home address. Any witness not identified by name (such as "representative of the ABC Corporation"), fails to meet the requirements of this order and will be excluded. The Court will not consider a motion for continuance for any properly identified witness where the party has failed to subpoena the witness or secure his or her agreement in writing before the above-referenced date.

8. DISCOVERY COMPLETION DATE: April 22, 2026

All requests must be served and evidence of service filed at least 35 days in

Unless otherwise specified herein, any motions must be e-filed along with a proposed order for the relief requested in .rtf. Non-moving parties shall file written responses and proposed orders in .rtf **within 21 days of service**. Reply memoranda, if desired, are due **within 7 days**. After these time periods pass, the Court will regard the matter as submitted and will rule or set for hearing as the Court deems appropriate.

11. MEDIATION/ALTERNATIVE DISPUTE RESOLUTION

The Court finds this an appropriate case for mediation or alternative dispute resolution. Therefore, pursuant to Rule 25 of the West Virginia Trial Court Rules, this case is referred to mediation or other form of dispute resolution agreed to by the parties, including mediation before a private mediator at the parties' expense. By Order of this Court, mediation or other form of dispute resolution shall be conducted by the Honorable Maryclaire Akers, as Resolution Judge, and shall be scheduled and concluded on or before **May 1, 2026**, unless such deadline is otherwise extended by the Presiding Judge for good cause shown. The parties shall contact the office of the Resolution Judge for the purpose of scheduling mediation/alternative dispute resolution.

12. SANCTIONS: In accordance with WVRCP 16(f), the Court may impose the full spectrum of sanctions authorized by the WVRCP if a party or party's counsel fails to obey this order or other orders of this Court including exclusion of evidence and granting of default for failure to comply.

13. No party has **OBJECTIONS** to the above schedule, but each party reserves the right to seek to amend the schedule upon a showing of good cause.

14. The Court may conduct interim status conferences as may be reasonably necessary. If either party desires the Court to conduct an interim status conference it shall file a request with Court and the other party shall respond within ten (10) days.

15. The dates set out above do not relieve counsel or parties from timely compliance with discovery requests propounded pursuant to the West Virginia Rules of Civil Procedure.

The Clerk is directed to send a true and correct copy hereof to all counsel and self-represented parties of record.
